

Help raise £10,000 to fight world hunger!

mary's
meals

a simple solution
to world hunger

Mary's Meals is a simple idea that works, providing one daily meal in a place of learning to bring some of the world's poorest children into the classroom where they have the opportunity to concentrate, learn and brighten their futures and support the communities they live in.

You type, they donate, the world eats. Simple, right?

Our target of

£10,000

will provide meals to over

600 children

for a **whole**

school year!

I'm a student. How can I help?

Ask your family and friends to sponsor you and donate a small amount of money for every level you reach in the competition

Example: If someone commits to sponsoring you 30p per Level that you complete and you reach Level 11 that would be £3.00 for them to donate (30p x 10 Levels completed)
